WHEREAS on December 8, 2010, the Bankruptcy Court entered an order (the “**Solicitation Order**”) (ECF No. 8043), which, among other things, (i) approved the Disclosure Statement under section 1125 of the Bankruptcy Code and Bankruptcy Rule 3017, (ii)

¹ The term “**Debtors**” used herein shall refer to the Debtors whether prior to or on and after the Effective Date.

² Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed to such terms in the Plan, a copy of which is annexed hereto as **Exhibit “A.”** Any term used in the Plan or this Confirmation Order that is not defined in the Plan or this Confirmation Order, but that is used in the Bankruptcy Code or the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) shall have the meaning ascribed to that term in the Bankruptcy Code or the Bankruptcy Rules, as applicable.

In addition to Administrative Expenses, Priority Tax Claims, and DIP Credit Agreement Claims, which need not be designated, the Plan designates six Classes of Claims and Equity Interests. Each Secured Claim shall be deemed to be separately classified in a subclass of Class 1 and shall have all rights associated with separate classification under the Bankruptcy Code. The Claims and Equity Interests placed in each Class are substantially similar to other Claims and Equity Interests, as the case may be, in each such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Equity Interests created under the Plan, and such Classes do not unfairly discriminate between holders of Claims and Equity Interests. The Plan satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

Debtors. No objections have been filed raising any objection to substantive consolidation as provided in the Plan.

DD. Environmental Response Trust Consent Decree and Settlement Agreement. EE. Priority Order Sites Consent Decrees and Settlement Agreements. Each of the Priority Order Sites Consent Decrees and Settlement Agreements were negotiated in good faith and at arm's length and are an essential element of the Plan. Each of the Priority Order Sites Consent Decrees and Settlement Agreements is fair, equitable, and in the best interests of the Debtors, their creditors, and all parties in interest, and satisfies the standards for approval under Bankruptcy Rule 9019.

FF. Settlement with Remy International, Inc. The settlement between the Debtors and Remy International, Inc. (f/k/a Delco Remy International, Inc. and DRA Inc.) ("**Remy**") described in the Disclosure Statement and Section 4.3 of the Plan (the "**Remy Settlement**") was negotiated in good faith and at arm's length, is fair, equitable, and in the best interests of the Debtors, their creditors, and all parties in interest, and satisfies the standards for approval under Bankruptcy Rule 9019. GG. Satisfaction of Confirmation Requirements. The Plan satisfies the requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

HH. Objections. All parties have had a full and fair opportunity to litigate all issues raised in the Objections, or which might have been raised, and the Objections have been fully and fairly litigated.

II. Retention of Jurisdiction. The Bankruptcy Court may properly retain jurisdiction over the matters set forth in Article XI of the Plan and section 1142 of the Bankruptcy Code.

OF VIRGINIA, THE LOUISIANA DEPARTMENT OF ENVIRONMENTAL
QUALITY, THE MASSACHUSETTS DEPARTMENT OF ENVIRONMENTAL
PROTECTION, THE DEPARTMENT OF ENVIRONMENTAL PROTECTION OF
THE COMMONWEALTH OF PENNSYLVANIA AND THE SAINT REGIS
MOHAWK TRIBE**

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, the parties hereby agree to the terms and provisions of this Settlement Agreement;

WHEREAS, the obligations undertaken by Debtors pursuant to this Settlement Agreement are in the nature of compromises and it is the position of the Governments that these obligations are less than the Governments would seek in the absence of this settlement; and

WHEREAS, this Settlement Agreement is fair, reasonable, and in the public interest, and is an appropriate means of resolving the matters addressed in this Settlement Agreement.

NOW, THEREFORE, without the admission of liability or any adjudication on any issue of fact or law, and upon the consent and agreement of the parties by their authorized attorneys and authorized officials, it is hereby agreed as follows:

I. DEFINITIONS

1. Unless otherwise expressly provided herein, terms used in this Settlement Agreement that are defined in CERCLA, RCRA, state environmental law or their respective regulations, or in the Bankruptcy Code shall have the meaning assigned to them in CERCLA, RCRA, state environmental law or their respective regulations, or in the Bankruptcy Code, as applicable. Whenever terms listed below are used in this Settlement Agreement, the following definitions shall apply:
2. “Administrative Funding Account” shall mean the funding held by the Environmental Response Trust for the costs necessary for the administration of the Environmental Response Trust and the orderly wind-down of the Properties, including, but not limited to, administrative and personnel costs, including professional and legal fees, security, utilities, maintenance, property taxes, property marketing costs, and demolition costs unrelated to Environmental Actions. Such funding shall be set aside in separate dedicated subaccounts.

Environmental Response Trust's completion of a sale of such Property or personalty. After Debtors execute this Settlement Agreement, Debtors shall not further encumber the Properties or Debtors' other interests therein and shall maintain the Properties, including the improvements thereon and the fixtures thereto that are related to Environmental Actions in the condition that they exist as of the date of such execution, except to the extent that ongoing Environmental Actions require otherwise or, with respect to demolition activities at Properties with existing and prospective contracts for demolition activities listed on Attachment B. Notwithstanding anything to the contrary herein or in the Plan, the lenders under the DIP Credit Agreement shall maintain any and all liens on any Collateral (as defined in the DIP Credit Agreement) and any transfer of that Collateral to the Environmental Response Trust shall not be made free and clear of the liens of the lenders under the DIP Credit Agreement, provided however that the Required Lenders hereby consent to the expenditure or sale of all Collateral securing those liens, claims and interests if such sale is made in accordance with the approved annual budget and the provisions of this Settlement Agreement, the Trust Agreement and the Plan.

32. On the Effective Date, and subject to adjustments as provided in Paragraph 36 of this Settlement Agreement as applicable, Debtors shall make a payment to fund the Environmental Response Trust in the amount of no less than \$641,434,945; and the Debtor shall pay or cause to be paid to the Expendable Trust as defined in Paragraph 79 of this Agreement in the amount of \$786,944, and the 807 Trust Fund as defined in Paragraph 80 of this Agreement in the amount of \$102,390. The Environmental Response Trust funding amount consists of (i) a Minimum Estimated Property Funding Account containing funding with respect to each Property as set forth on Attachment A Column 2 attached hereto and totaling \$295,036,131,

(ii) a Reserve Property Funding Account containing funding with respect to each Property as set forth on Attachment A Column 3 attached hereto and totaling \$52,065,197, (iii) a Long Term OMM Property Funding Account containing funding (if any) for each Property as set forth in Attachment A Column 4 attached hereto and totaling \$84,099,794; (iv) the Cushion Funding Account totaling \$68,233,823; (v) the Administrative Funding Account in an amount of no less than \$102 million; and (vi) the Administrative Funding Reserve Account totaling \$40 million.

33. Environmental Response Trust funding of the Minimum Estimated Property Funding Accounts, Reserve Property Funding Accounts, and Long Term OMM Property Funding Accounts shall be held in trust in segregated trust subaccounts for each Property as provided in this Settlement Agreement and the Trust Agreement. Environmental Response Trust funding with respect to the Administrative Funding Account and the Cushion Funding Account each shall be held in trust in a segregated trust subaccount as provided in this Settlement Agreement. Funding from a subaccount for a Property may not be used for another Property except as otherwise expressly provided by and in accordance with this Settlement Agreement.

34. All interest earned in a subaccount shall be retained in such subaccount and used only for the same purposes as the principal in that subaccount as provided in this Settlement Agreement, subject to any reallocation provided for in accordance with the terms of this Settlement Agreement.

35. Notwithstanding any other provision of this Settlement Agreement or the Trust Agreement, "separately dedicated subaccounts" may be accomplished by accounting entries and nothing herein shall preclude the Administrative Trustee from commingling funds solely

for investment or administrative purposes, provided, however, that the Administrative Funding Account and Administrative Reserve Funding Account shall not be commingled with any other accounts under any circumstances.

Funding Adjustments.

36. (a) The amount of funding provided with respect to any Property in the Minimum Estimated Property Funding Account and Reserve Property Funding Account shall be reduced on the Effective Date to reflect actual expenditures by the Debtors at the Property for third party contractor costs for Environmental Actions at the Property (1) that were paid by Debtors between July 1, 2010, and October 31, 2010, except to the extent already credited under Attachment A, provided that the costs for which the Debtors are seeking reduction were approved in writing by the Lead Agency (including approval of an estimate of such costs), and (2) any actual expenditures by the Debtors at the Property for third party contractor costs for Environmental Actions with respect to a Property between November 1, 2010 and the Effective Date will be a reduction provided that such costs were pre-approved in writing by the Lead Agency (including pre-approval of an estimate of such costs). In no event shall any reductions be made for Environmental Actions performed by Debtors between July 1, 2010, and the Effective Date that exceed either the cost for them in the Property's Minimum Estimated Property Funding Account or Reserve Property Funding Account or any approval or pre-approval of such costs. Following completion of any such Environmental Action and payment thereof, Debtors shall provide documentation to the Lead Agency of the exact amount of the expenditure. In no event shall reductions be made for expenditures of Debtors that are not reimbursements of expenditures for and payments to third party contractors. In no event shall reductions be made for expenditures of Debtors on any property that is not related

to a Property set forth on Attachment A hereto. Any reductions or payments under this Paragraph are subject to the approval in writing of the Lead Agency that the reductions or payments are consistent with this Paragraph. Any disputes under this Paragraph shall be resolved by the Bankruptcy Court.

(b) The amount of funding provided with respect to the Administrative Funding Account shall be adjusted on the Effective Date to reflect actual expenditures by the Debtors, as a result of any delay in the Effective Date beyond December 31, 2010, for administrative costs that were part of Debtors projected budget for the Administrative Funding Account. Such adjustment shall be subject to the approval of the U.S. Treasury.

37. Debtors shall, on or before the Effective Date, directly reimburse a Lead Agency for costs expended by the Lead Agency for Environmental Actions with respect to a Property between June 1, 2009 and December 31, 2010 for Properties transferred to the Environmental Response Trust by MLC, or October 9, 2009 and December 31, 2010 for Properties transferred to the Environmental Response Trust by REALM or ENCORE, provided that (i) the applicable Debtor, the Lead Agency, and U.S. Treasury agree that the costs for which the Lead Agency is seeking reimbursement were included in the Property's Minimum Estimated Property Funding Account or Reserve Property Funding Account or were for Emergency Environmental Actions within the meaning of Paragraph 49; and (ii) the amount of funding provided with respect to any Property in the Minimum Estimated Property Funding Account and Reserve Property Funding Account is reduced on the Effective Date to reflect actual payments made by the Debtors to the Lead Agency. In the event of a dispute between the relevant Debtor, the United States, and/or Lead Agency regarding the Debtor's reimbursement of costs incurred by the Lead Agency as provided for in this Paragraph, the Bankruptcy Court

shall resolve the dispute. Any costs expended by the Lead Agency for Environmental Actions with respect to a Property between January 1, 2011 and the Effective Date will be included in, and reimbursed by the Trust after the Effective Date pursuant to the Property's first approved Annual Cleanup Budget provided that those costs were included in the Property's Minimum Estimated Property Funding Account or Reserve Property Funding Account or were for Emergency Environmental Actions within the meaning of Paragraph 49. Under no circumstances will the Debtors or the Environmental Response Trust under this Paragraph pay any costs expended by the Governments in connection with any work relating to Debtors' bankruptcy proceedings.

38. The United States shall be the sole beneficiary of the Environmental Response Trust.

39. The United States, the States, and the Tribe shall have the rights and powers set forth in this Settlement Agreement and the Trust Agreement, and nothing shall limit their ability to enforce those rights and powers, including but not limited to (i) the right to file suit against Debtors or the Administrative Trustee for failure to fund on the Effective Date the Environmental Response Trust's Minimum Estimated Property Funding Accounts, Reserve Property Funding Accounts, Long Term OMM Property Funding Accounts and Cushion Funding Account as set forth in this Settlement Agreement; (ii) the right to file suit against the Environmental Response Trust or the Environmental Response Trust Protected Parties at any time for fraud or willful misconduct (with all funds recovered in any such action to be restored to the Environmental Response Trust subaccount from which they were taken); or (iii) the right to file suit against the Administrative Trustee as set forth in Paragraphs 50, 101, 102, and 103 of this Settlement Agreement, provided, however, that the Bankruptcy Court shall have exclusive jurisdiction over any issues relating to (a) approval of budgets and
